

Sustainability Board Vacancy

The Sustainability Board has a vacancy for a voluntary position as Board Alternate to serve a two-year term ending in 2025. The Sustainability Board consists of five voting members and one alternate, appointed by the mayor, to support implementation of the Edgewater Sustainability Plan.

The Sustainability Board Alternate is invited and requested to attend all meetings of the Sustainability Board but are not required to do so. Alternate members may take part in the discussion of any matter that comes before the Board and may vote on matters before the Board in place of an absent Board member. The Alternate may also be considered for appointment to fill an unexpired term of a vacant position on the Board.

The Board Alternate may work with Sustainability Board category leads to support projects and provide policy recommendations related to Edgewater's Land and Water, Waste and Materials, Energy, and Social Vibrancy goals. The Alternate may also represent the Edgewater Sustainability programs at city events, networking opportunities, and more.

For more information on and the Edgewater Sustainability program and Sustainability Plan, visit www.edgewaterco.gov/living-here/sustainability.

The Sustainability Board meets every 4th Tuesday of the month from 6-8pm. Meetings are held in person at the Edgewater Civic Center with a virtual option.

Applications are available online at www.edgewaterco.gov/your-government/boards-commissions/sustainability-board or from the City Clerk by emailing cityclerk@edgewaterco.com.

Applications will be reviewed and finalists asked to interview at the next regularly scheduled Sustainability Board meeting Tuesday, August 22 at 6:00 PM. Applications can be emailed to lpedroza@edgewaterco.com.
