HOW DO I FILE?

If you have the same filing frequency with the State and the City – you will file a 12/31/2023 return with the City and any returns after will be on your State return. If you are annually with the City and annually with the State, you will file a State return at the end of 2024 using the City of Edgewater Jurisdiction #11-0032.

Continued reverse side.

WHAT IF I FILE STATE AND CITY AT DIFFERENT TIMES?

If you have different filing frequencies with the City and State, once you file your 12/31/2023 return with the City, you will then file the same frequency with the State that you always have but will include City sales tax henceforth.

EXAMPLE:

I file quarterly with the City and monthly with the State. Once you have filed the 12/31/2023 return you will then begin filing ALL sales with the State return using the City of Edgewater Jurisdiction #11-0032.

EXAMPLE:

I file annually with the City and quarterly with the State. You will need to file a 12/31/2023 return with the City and then begin filing quarterly with your State return using the City of Edgewater Jurisdiction #11-0032.
