### Details

**\*\*UPDATE\*\***

***The victim in the December 10<sup>th</sup> shooting detailed below has been identified as 29-year old Miguel Angel Barboza. Barboza was a resident of the city of Edgewater and lived at the location where the shooting took place.***

On December 10, 2023, at approximately 5:18 a.m., officers from the Edgewater Police Department were dispatched to a disturbance in the 2700 block of Ingalls Street. When officers arrived, they were directed to a 2<sup>nd</sup> story apartment unit where they located a male subject suffering from at least one gunshot wound. Emergency medical personnel attended to the victim but he ultimately died as a result of his injuries. Officers also located an additional individual suffering from head trauma. This individual was transported to a local hospital and is listed in critical condition.

Preliminary investigation indicates there was an altercation inside the apartment between known parties which led to the shooting. The victim was a 29-year old male who was an Edgewater resident. His name is being withheld until his family is notified. The individual suffering from head trauma, identified as a 29-year old Denver resident, is considered a person of interest in the homicide at this time and his identification is pending both further investigation and his medical prognosis.
