## COMMUNITY ENGAGEMENT

Positive comments received via our new [PowerEngage](#) civic engagement tool:

Great interaction	They were good they were here in a proper amount of time they did what was needed they called me back and let me know what went down in the apartment in question they were good
They were kind	
I'm in Wisconsin. I called to see if I could request a welfare check ad my adult son had been in an accident weds night and I was fearful that he was injured. He lives in his van and has no money and I supposed no food or water. The dispatcher was excellent... very courteous, asked clarifying questions, and told me what she knew from the police report. An officer did check on him and I think that helped shock him back to reality. Thank you.	My interaction was with the desk staff and I provided feedback directly to them.
	Very professional and courteous, I have been having trouble with my young adult son for 2yrs now and every police officer who responds are always helpful and prompt in there response time. Thanks Edgewater PD!

## ADDITIONAL ITEMS OF INTEREST

- Edgewater Police Officer William McNamee recently accepted a position with the Thornton Police Department and his last day here in Edgewater was 11/24. Officer McNamee came to us in 2019 from the Logan County Sheriff's Office and prior to that had been a police officer for the City of Sterling. He served on the Jefferson County Regional SWAT team for the last two (2) years and trained several of our younger officers as an F.T.O. We know that we're not always the final destination for everyone on their journey so we wish those that move on nothing but success & fulfillment. We have begun the recruiting and application process for Police Officer and look forward to adding someone new to the team soon.
- We have begun the process of applying to participate in the national Active Bystandership for Law Enforcement (A.B.L.E.) project. ABLE aims to create a police culture in which officers routinely intervene as necessary to prevent misconduct, avoid mistakes, and promote officer health and wellness. It is a tedious application process that includes letters of support from community organizations but we are very excited about the program and feel it will take Edgewater P.D. to the next level. If you're interested in knowing more about the ABLE program, you can check it out at: [Active Bystandership for Law Enforcement \(ABLE\) Project](#)
