COMMUNITY ENGAGEMENT

Positive comments received via our new [PowerEngage](#) civic engagement tool:

Officer Wilbur was fantastic!	I do not remember the name of the officer. It was like Santeriz, or Sanchez. I apologize for not remembering. Responded quickly, kept in contact with me, was super nice, and was as helpful as could be. Much appreciated. Thank you.
They were courteous and professional. Thanks for checking on our home	
They were great. Very thorough and provided me information for the event that the issue persists.	
	Very prompt response on an abandoned car

ADDITIONAL ITEMS OF INTEREST

- We have almost completed the police station remodel that has been in progress for an extended period of time. We were in need of additional workspaces since we've added a few positions since the police station was designed in 2018. We have also added a female locker room that was much needed. We've been able to add a shared workspace for our Victim Advocates and the Homeless Navigator. Finally, we have moved our training/meeting room upstairs and it is now the Gordanier Conference Room. Amber Magee & Meghan Hollenga have been extremely instrumental in getting this project complete.
- Attached is a "2023 EPD Year in Review" document that we put together to chronicle our achievements in 2023 and bring attention to the great things our staff is doing in the community. This document can also be found on our website. We hope you find the information valuable.
